RE: May 8th through June 11th Bid

Please review the items that are available for bid in the next cycle. This bid will run from Saturday May 8th through Friday June 11th (when Night Ride ends for this year).

You will notice the addition of several cruise items; however some items,

- North Bounds
- South Bounds
- Shore Ex's

have been left off until the following bid so we will have a better understanding of what the consistent needs will be.

Also you will find the addition of 8 new Boeing shuttles between Everett and Boeing Field as well as local around Boeing Field. For these shuttles, we will not require mentoring prior, just a history of serving our Boeing customers and an understanding of their needs as a customer.

The Bid Schedule will be as follows:

- Full Time Group A 1-51 4/27
- Full Time Group B 52-66 4/28
- Part Time 4/30

Bidding for Full Time driver will begin at 8:00 on the 27th and 10:00 on the 28th and will continue in ten (10) minute increments. Part Time drivers will be contacted on the 30th **only** if they have submitted a bid sheet showing intent to bid.
